

# AUTOREGGENTE

design: Patrizia Bertolini, 2013

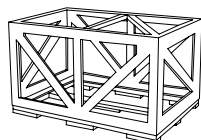

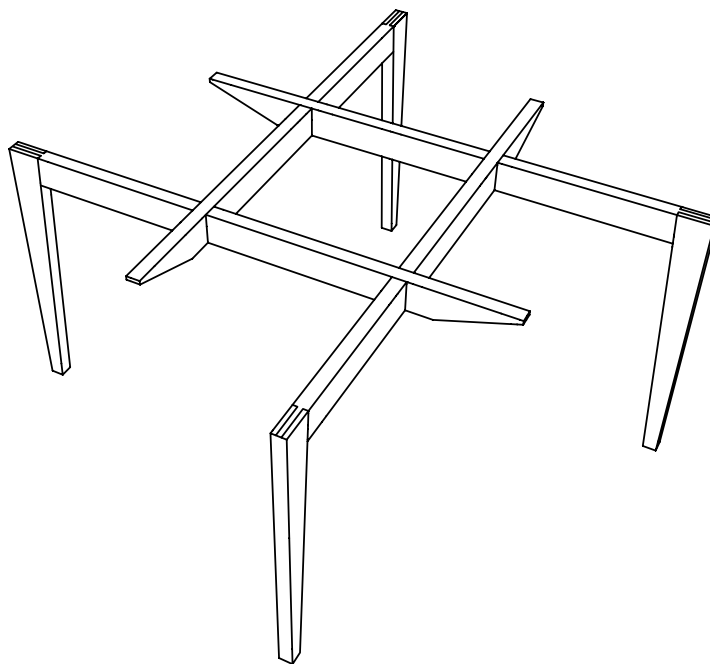

Tavolo con piano in vetro temperato 12mm e gambe/struttura in noce massello, o faggio naturale tinto. Le gambe si appoggiano e si incastrano l'una sull'altra creando una solida struttura di supporto per il top in vetro.

Table with 12 mm tempered glass surface and legs/frame in solid walnut or stained natural beech. The legs are free-standing and fit together creating a solid support frame for the glass top.

Table avec plateau en verre trempé 12mm et pieds/structure en noyer massif, hêtre naturel ou teinté. Les pieds s'appuient l'un sur l'autre et s'emboîtent en créant une structure solide qui soutient le plateau supérieur en verre.

Tisch mit 12-mm-Platte aus gehärtetem Glas, Beine/Unterbau aus massiv Nussbaum oder Buche natur. Die Beine stützen sich und greifen ineinander, sodass ein solider Unterbau für die Glasplatte entsteht.

Mesa con superficie de vidrio templado de 12 mm y patas/estructura de nogal macizo o de haya natural teñida. Las patas se apoyan y encajan entre sí, creando una sólida estructura de soporte para la superficie de vidrio.

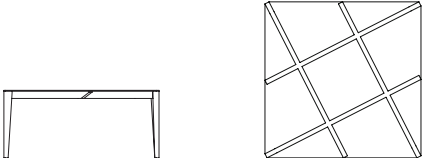

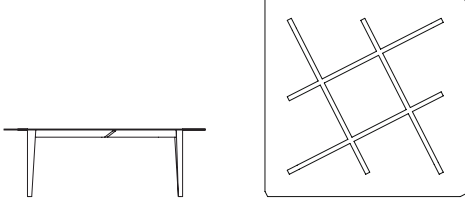

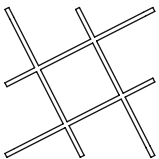

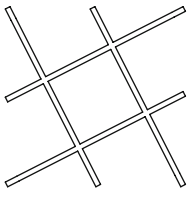

L'imballo in gabbia di legno per il top di vetro è incluso nel prezzo

The wooden crate for the glass top is included in the price

L'emballage dans une caisse en bois pour le dessus de verre est inclus dans le prix

Die Verpackung der Glasplatte in Holzkiste ist im Preis inbegriffen

El embalaje en jaula de madera para la encimera de vidrio va incluido en el precio
